## BODY WRAP

Body wraps are relaxing treatments that revitalize the body with nature's most exquisite agents. The client is masked with a natural agent of either Clay, Ocean Algae, or Moor Mud and then enveloped in a nurturing cocoon of heat retentive blankets for a luxurious, peaceful experience. A soothing cleansing process then removes the product and the service is completed with a heated lotion or oil that the client selects.

*55-60 minute service*

*Any service of an hour or more comes with a complimentary 10 minute steam or sauna.*

*Therapeutic massage is one of the oldest and most basic forms of healing.*
